

An account as unique as your business.

Our business accounts cover a wide range of needs.

We have been pooling our extensive knowledge about the banking business for over 200 years – and that's not just for our private customers. To-date, over 95,000 businesses – from sole traders to major corporations – are relying on our expertise. A business account with us allows you to always keep track of your money and to separate your personal and business finances. This saves time categorizing transactions and helps with tax returns.

Every business's banking needs are unique depending on sector, transaction volume and personal preferences. This is why our tailored range of business accounts is designed to make sure you'll find the perfect fit.
